HEALTH

Department	Total Graduates	Total Respondents	Response Rate
BSHE	74	74	100%

- ✓ The Behavioral Sciences & Health Education (BSHE) Class of 2017, with 74 graduates, includes those who graduated in August 2016, December 2016 and May 2017.
- ✓ The graduation information is collected at graduation and the unemployed receive monthly follow-ups through the first-year post-graduation until employment or continuing education is secured.
- ✓ The information in this report is self-reported survey data provided by the graduate.
- ✓ Data collection for this report was completed in May 2018, at the 12th month after the May 2017 graduation.
- ✓ Information collected includes employment sector, salary range, amount of time spent job searching and number of resumes sent.

Survey Respondents' Post-Graduation Employment Status

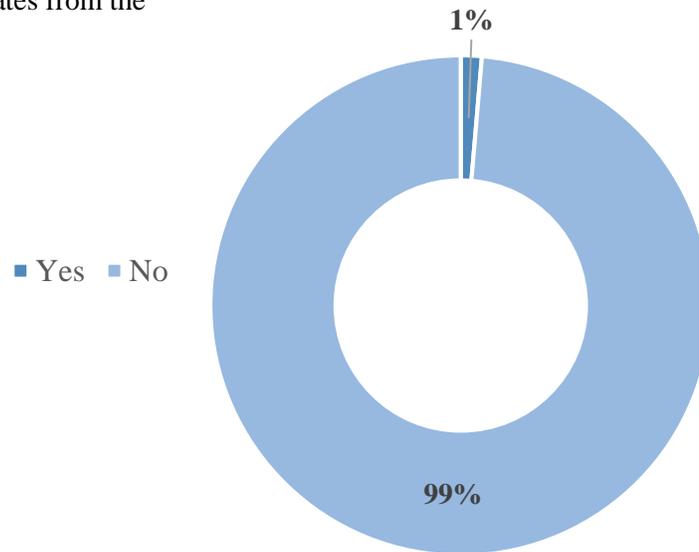

All 74 graduates from the Behavioral Sciences & Health Education Department provided their post-graduation employment status through the completion of the Graduate Information Survey within the 12-month data collection period.*

	# of Graduates in Continuing Education	# of Graduates Not Seeking Work/Continuing Education	# of Graduates Seeking Work	# of Graduates Employed Full-time/Part-time	Did Not Respond to Survey (Unknown)	Total Graduates
TOTAL	5	2	8	59	0	74
RATE	7%	3%	11%	80%	0%	100%

* The data captured in the table above is required by the Council on Education for Public Health (CEPH).

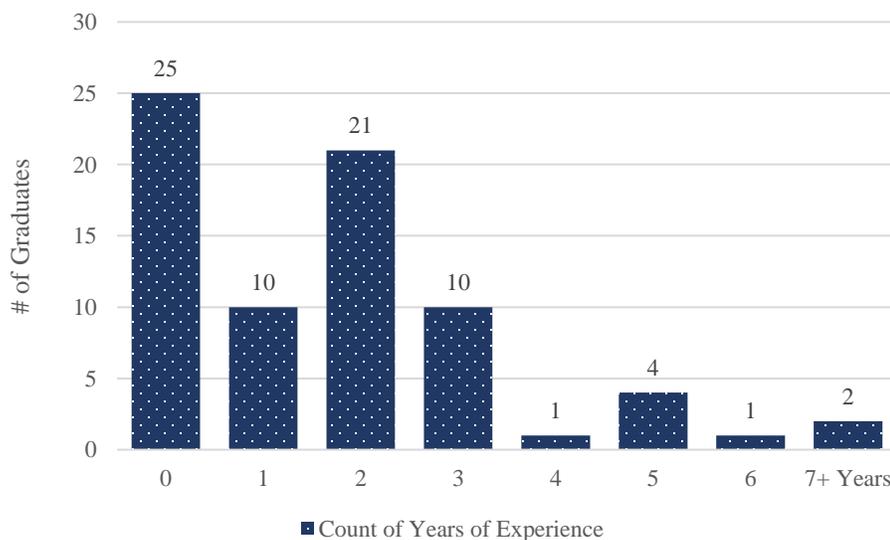

International Student Status (N = 74)

This chart indicates the percentage of international student graduates from the BSHE department with a MPH/MSPH degree.

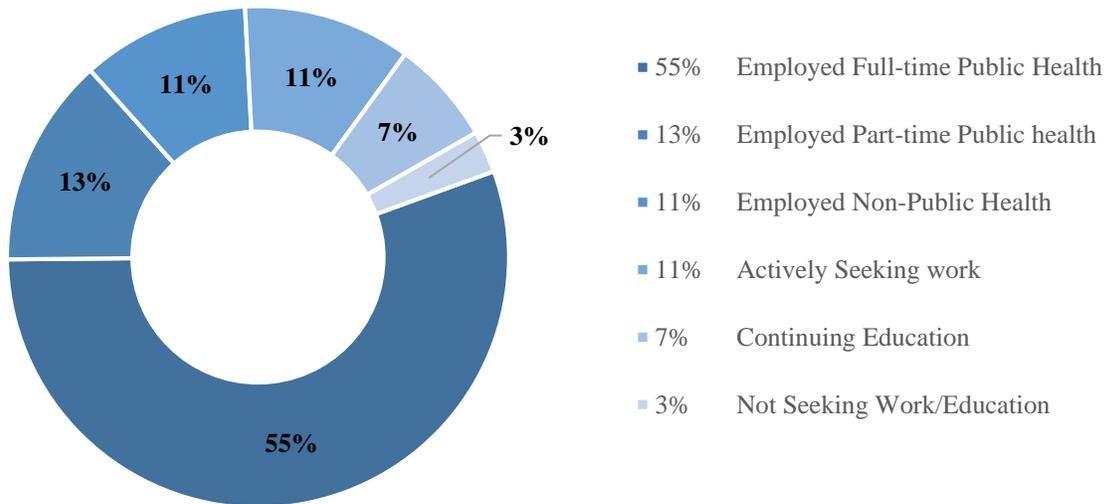

Years of Prior Work Experience (N = 74)

Upon enrolling in the MPH program at the RSPH, 34 % of BSHE graduates reported having 0 years of prior work (public health and non-public health) experience.

Employment Status (N = 74)

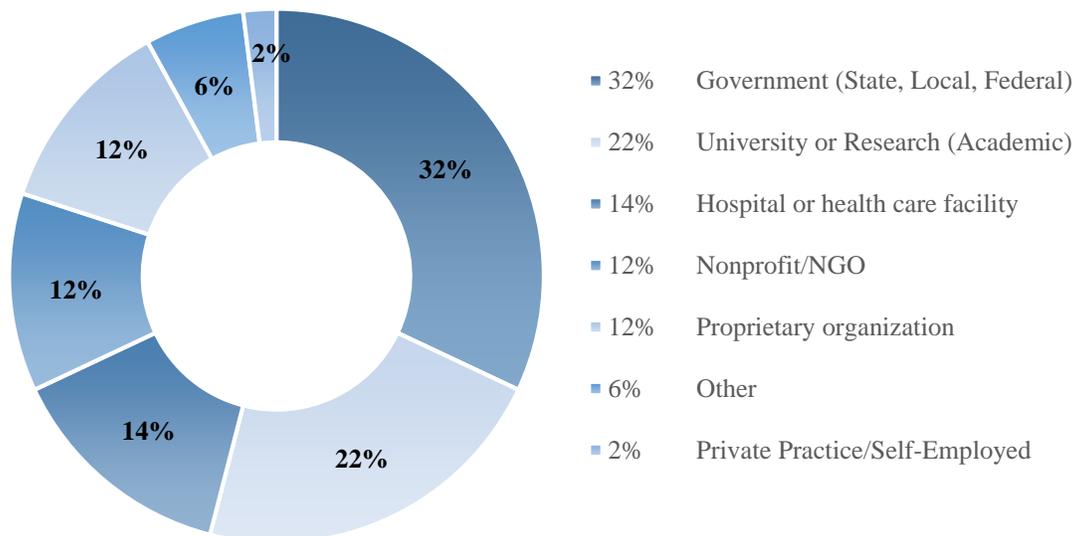

This chart indicates the employment status of the graduates' class of 74 within 12 months post-graduation from the BSHE department.

The remainder of this report contains data from graduates reporting securing full-time/part-time employment. There were 59 graduates reporting securing full-time/part-time employment. Information on employer, sector, title, location and annual starting salary range was provided by 47-50 of the 59.

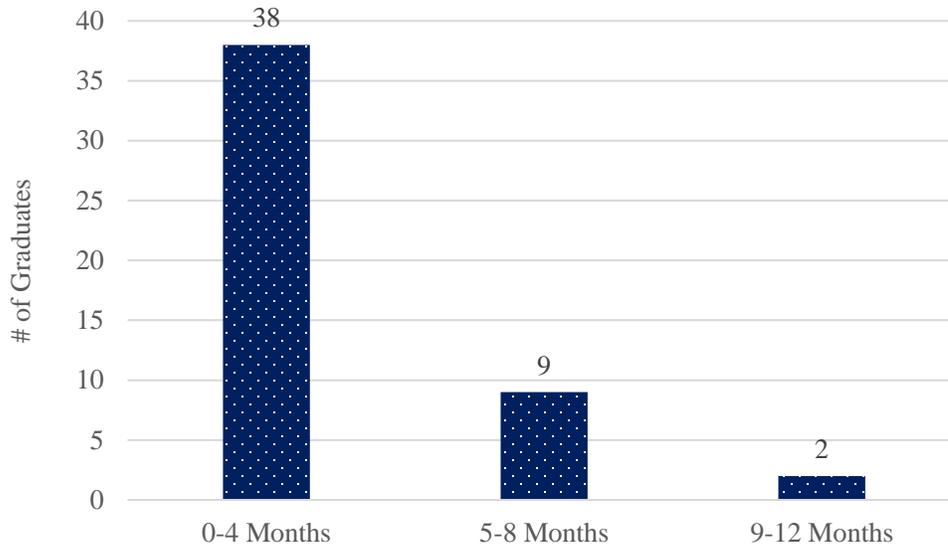

Employment by Sector (N = 50)

Of the 50 reporting graduates that secured employment within 12-months post-graduation, 32% reported being employed with the government (state, local, federal) agency.

Job Search Period (N = 49)

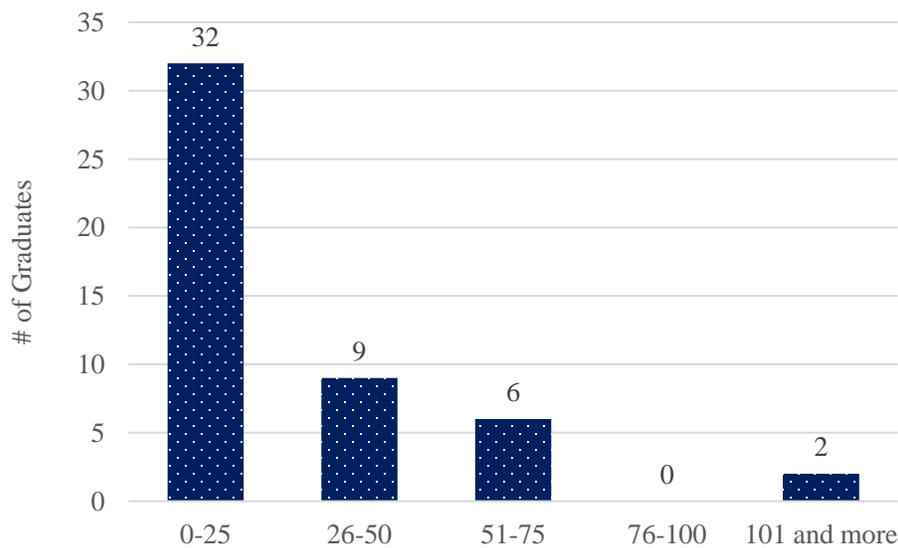

Within the first 4 months of starting the job search, 78% secured employment.*

*Many graduates begin seeking employment in the months prior to graduation.

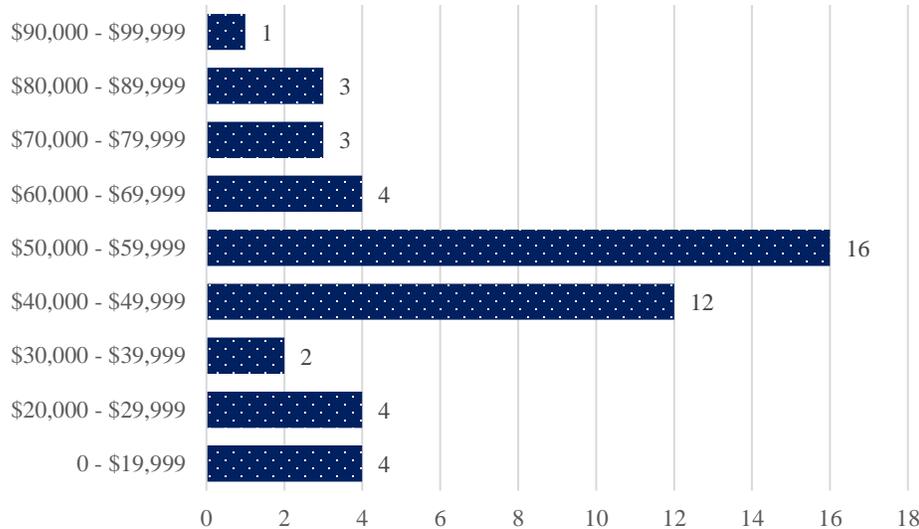

Number of Resumes Sent Out (N = 49)

During the job search period, 65% of graduates sent out no more than 25 resumes (average job search period is shown in the graph above).

Salary Range of Employed Graduates (N = 49)

The median starting annual salary range reported by BSHE graduates securing full-time/part-time employment is \$50,000 - \$59,999

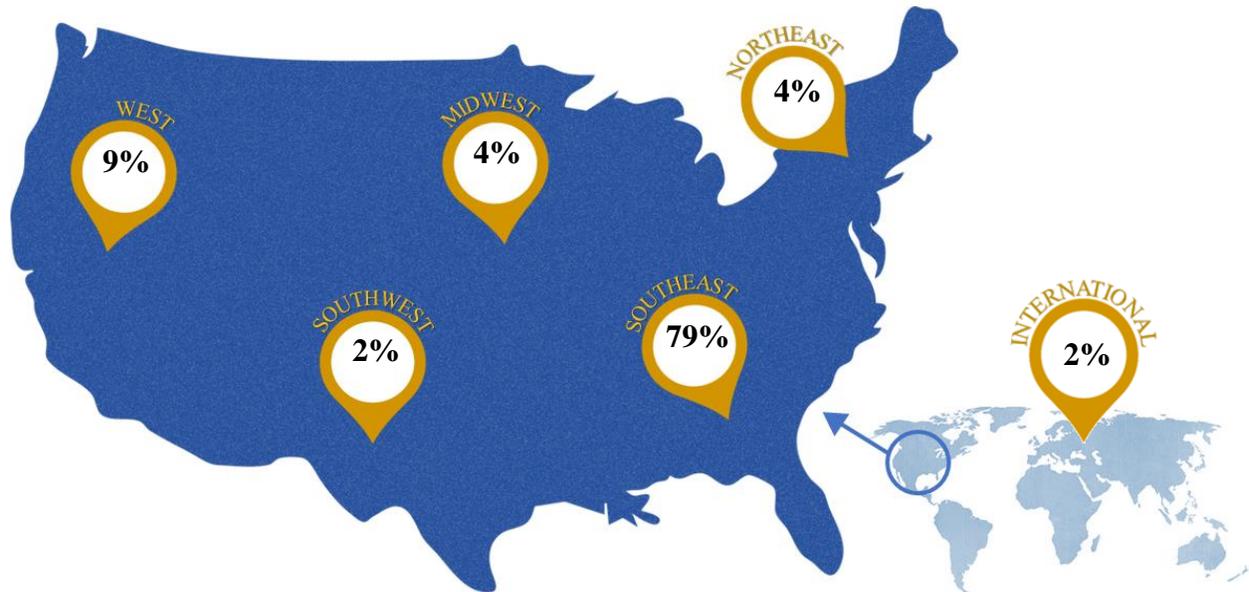

Median Salary Range by Employment Sector (N = 49)

Employment Sector	% of Employed Graduates	Median Salary Range
University or Research Institute (Academic)	22%	\$40,000 - \$49,999
Government (State, Local, Federal)	31%	\$50,000 - \$59,999
Hospital or Health Care Delivery Facility	14%	\$40,000 - \$49,999
Nonprofit/NGO	12%	\$40,000 - \$49,999
Proprietary Organization	12%	\$50,000 - \$59,999
Private Practice/Self-Employed	2%	\$60,000 - \$69,999
Other	6%	\$60,000 - \$69,999

Region of Employed Graduates (N = 47)

The region in which the 47 graduates reported being employed within 12-months post-graduation, along with percentage of employed graduates in the regions are represented below.

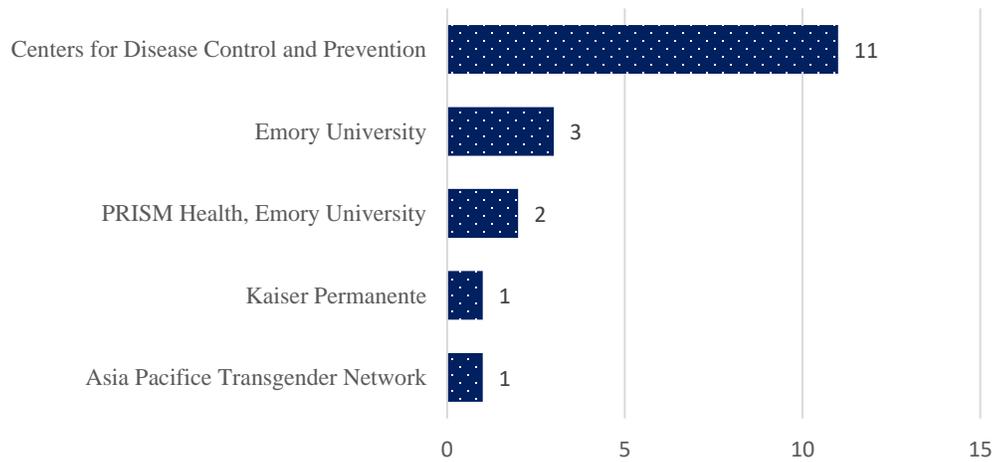

Region	# of Employed Graduates	% of Employed Graduates	Median Salary Range
International	1	2%	Not available*
Midwest	2	4%	Not available*
Northeast	2	4%	Not available*
Southeast	37	79%	\$50,000 - \$59,999
Southwest	1	2%	Not available*
West	4	9%	\$0 - \$19,999

*There were not enough respondents to determine a median without compromising confidentiality.

Top 5 Employers (N = 48)

The top 5 employers were identified from the organization names reported by graduates that accepted full-time/part-time employment within 12-months post-graduation.*

*Some graduates that identified CDC as their employer may also be ORISE fellows and vice versa
