

OUR MISSION is to advance knowledge on the causes, prevention, and control of disease and improve public health through research and education.

APPLY

SPH.EMORY.EDU/ADMISSIONS/

ADMISSIONS REQUIREMENTS

At least one semester of college level math and science. MSPH programs require at least one semester of college level calculus. Applicants to GLEPI programs should have some prior experience internationally or working with underserved populations.

FUNDING

Rollins offers scholarships, financial aid awards, and work-study that allow graduate students to support their academic interests with applied public health experience through the Rollins Earn and Learn (REAL)

Program. In fact, more than 500 Rollins students take advantage of the paid work opportunities available through REAL each year.

TAKE ON HEALTH-RELATED CHALLENGES OF THE FUTURE

The Department of Epidemiology offers programs designed for students with a strong quantitative background who are interested in understanding the causes of diseases in the population and ways to prevent and control them.

THE MPH AND MSPH PROGRAM EQUIP GRADUATES WITH CRITICAL SKILLS:

- ✓ Epidemiologic Methods
- ✓ Biostatistical Methods

- ✓ Quantitative Data Analysis
- ✓ Research Methodology
- ✓ Scientific Writing

DEGREE PROGRAMS:

- Epidemiology MPH
- Epidemiology MSPH
- Global Epidemiology MPH
- Global Epidemiology MSPH
- Epidemiology PhD

LIVE AND LEARN IN THE PUBLIC HEALTH CAPITAL OF THE WORLD

Atlanta is home to the Centers for Disease Control and Prevention, CARE, the American Cancer Society, the Carter Center, and numerous state and regional agencies. Emory University's Woodruff Health Sciences Center has extensive patient care, teaching, and health related research programs.

PRACTICUM AND WORK POSITIONS

EPI STUDENTS GAIN PRACTICAL EXPERIENCE AS PART OF THEIR TRAINING WITH ORGANIZATIONS SUCH AS:

- Centers for Disease Control and Prevention
- State Health Departments
- American Cancer Society
- The Carter Center
- Children's Healthcare of Atlanta
- Emory Vaccine Center

ALUMNI PLACEMENT

WHILE MANY OF OUR GRADUATES PURSUE FURTHER EDUCATION (PHD, MD, ETC.), THE MAJORITY OF OUR GRADUATES SEEK FULL-TIME EMPLOYMENT AFTER GRADUATION. RECENT HIRING ORGANIZATIONS INCLUDE:

- Centers for Disease Control and Prevention
- Emory University
- CDC/CSTE Applied Epidemiology Fellowship
- State Departments of Health
- GAVI, The Vaccine Alliance
- Kaiser Permanente

CUSTOMIZED LEARNING

THE EPIDEMIOLOGY PROGRAM CURRICULUM IS WELL SUITED FOR STUDENTS TO EARN ROLLINS CERTIFICATES

- Socio-Contextual Determinants of Health
- Complex Humanitarian Emergencies
- Water, Sanitation, and Hygiene (WASH)
- Mental Health
- Genetic and Molecular Epidemiology
- Maternal and Child Health

OUR REACH IS GLOBAL

FACULTY AND STUDENTS ENGAGE IN RESEARCH PROJECTS AROUND THE WORLD. EXAMPLES INCLUDE:

- HIV/AIDS/Rwanda and Zambia
- Tuberculosis/South Africa
- Hepatitis and Tuberculosis/Haiti
- Zika and Neglected Tropics Diseases/Brazil
- Maternal and Child Health/Tanzania

AREAS OF STRENGTH

- Cancer Epidemiology
- Cardio-Metabolic Epidemiology
- Epidemiologic Methods
- Genetic and Molecular Epidemiology
- Infectious Disease and Surveillance Epidemiology
- Reproductive, Perinatal, and Pediatric Epidemiology
- Social Epidemiology
