

# ROLLINS LIFE

An Admissions Guide

**PROMOTING HEALTH.  
PREVENTING DISEASE.**  
[sph.emory.edu](http://sph.emory.edu)

**Top Five.** U.S. News & World Report ranks the Rollins School of Public Health #4 among 177 accredited schools and programs of public health in the United States.

**Internationally Renowned Research.** Rollins is home to 26 centers for innovative research and training. Research at Rollins is driven by local, regional, national and international communities. We aim to make an impact.

**Career Launching.** Nearly 90 percent of students find jobs or continue their education within 12 months of graduation.

**Prominent Faculty.** Our researchers are engaged in a diverse array of research projects ranging from COVID-19 modeling and opioid use disorders to climate change, diabetes and metabolic health, maternal and child health, HIV/AIDS, and mental health. This work spans issues in the local Atlanta community to global contexts—our faculty have projects in over 50 countries. Rollins has a large and comprehensive research portfolio (over \$100,000,000 annually), with faculty receiving funding from a wide range of federal and non-federal sources.

## CHOOSE YOUR PATHWAY TO PUBLIC HEALTH

Earn your degree in a top ranked program, while gaining professional work and research experience.

### Masters Programs

- Master of Public Health (MPH)
- Master of Science in Public Health (MSPH)
- Executive MPH
