## CLASS VISIT:

Would you like to invite an [EWC writing](#) tutor to visit your class and help convince your students to use EWC services or join EWC staff? EWC tutors are all required (and paid) to visit at least one class each semester, so you're in luck! These visits can be as brief as 5-7 minutes, or up to 15 minutes. The EWC also has limited availability to design longer, in-depth workshops for your class or team on a range of writing and communication topics.

Faculty can request a visit by filling out [this request form](#). If you would like to request a more extensive workshop, please visit the EWC [Workshops page](#).

## Reminders for Spring Instructors

Thank you to all instructors for submitting your syllabus and [DEI Reflection Tool](#). If you have not yet submitted your syllabus, please do so immediately [at this link](#).
